

# Find the marketing list you need & access information on your account more quickly.

Now it's even easier for you to create targeted lists for your unique marketing efforts.

Simplified searching saves you time and our fresh approach includes new categories of strategically grouped templates to help you build the right marketing list faster than ever. Create the lists you need from one of the following categories:

**Consumer Marketing   Mortgage Prospects   Homeowner Services  
Investor and Foreclosure Services**

**ListSource™.com**  
The standard  
in direct marketing list generation.

Because of these enhancements, you'll no longer see the "Search Center" page. In fact, we're introducing a page just for you. As a registered user, you'll have access to a personalized dashboard which contains:

- recently purchased lists
- recently saved searches
- helpful tips
- information on recent product enhancements

With this release, you can access any of the templates by marketing solution. They're now persistent across the site, eliminating the need to navigate back and forth between pages—making it easier to locate the precise list for your campaign needs.

**New Homeowners**

Homeowners who bought prior built homes with length of residence within the past 12 months are a good match for minor to major home improvement needs such as new carpeting, pool maintenance, or landscape development. Additionally, you can tap into a new market for your neighborhood business.

**Geography**

Select at least one criteria. Switch to Main Database Search for more options. Any criteria already entered will be moved to the main database search.

Select Criteria

Switch to [Main Database Search](#) for more search options. Any criteria you already entered will be moved to the main database search.

If you use any of the templates, you will now see a brief description at the top of the screen before you begin your search. This will help you identify if this is the right list for your marketing campaign.
